ABOUT US

BUILDING TRUST THROUGH EXPERIENCE

Hardik Earth Movers is a trusted name in the field of **earthmoving, excavation, transportation, and infrastructure** support services across Maharashtra.

Established in **2018**, the company is built upon the **35+ years of industry experience** of its proprietor, **Mr. Sanjay Sumra**, whose expertise in contracting, transportation, and heavy equipment operations has laid the foundation for a reliable and customer-focused organization.

With a vision to deliver dependable earthmoving solutions backed by modern machinery and skilled professionals, Hardik Earth Movers has steadily earned the confidence of government agencies, infrastructure developers, industrial organizations, and private contractors throughout Maharashtra.

Today, the company operates a modern fleet of excavators and specialized equipment, providing efficient solutions for excavation, demolition, canal desilting, railway infrastructure, mining support, industrial projects, road construction, and large-scale earthworks.

Every project reflects our commitment to **quality, safety, operational excellence, and timely execution**, helping clients complete their projects with confidence and efficiency.

EXPERIENCED TEAM

Skilled and trained professionals with years of expertise.

MODERN EQUIPMENT

Well-maintained machines for maximum performance.

SAFETY COMMITMENT

Strict safety standards and regular maintenance procedures.

TIMELY EXECUTION

We understand deadlines and deliver with reliability.

CLIENT FOCUS

Long-term relationships built on trust, transparency and performance.

OUR JOURNEY

35+ YEARS OF EXPERIENCE

Mr. Sanjay Sumra begins his journey in the contracting and transportation industry, building a strong reputation through dedication and dependable service.

HARDIK EARTH MOVERS ESTABLISHED

Hardik Earth Movers is established to provide professional earthmoving, excavation, and heavy equipment rental solutions.

TODAY

Trusted by leading infrastructure companies across Maharashtra with 50+ successfully completed projects, a modern equipment fleet, and a commitment to excellence.

OUR VISION & MISSION

OUR VISION

To become Maharashtra's most trusted partner in earthmoving, excavation, and infrastructure equipment solutions by delivering exceptional quality, safety, and operational excellence while contributing to the state's development.

OUR MISSION

To provide reliable heavy equipment, skilled operators, and efficient project execution through modern technology, continuous improvement, and an unwavering commitment to customer satisfaction.

“

*Driven by experience.
Committed to quality.
Focused on delivering results.*

”

CORE VALUES

SAFETY FIRST

We prioritize the safety of our people, clients, and communities in every project we undertake.

INTEGRITY

We conduct our business with honesty, transparency, and ethical practices at all times.

RELIABILITY

Our clients rely on us for consistent performance, timely delivery, and dependable service.

QUALITY

We are committed to delivering high-quality solutions through well-maintained equipment and skilled professionals.

CUSTOMER FOCUS

We put our clients at the center of everything we do and strive to exceed their expectations.

INNOVATION

We embrace new ideas and technology to improve efficiency, productivity and service delivery.

SUSTAINABILITY

We are committed to environmentally responsible operations and sustainable growth.

ACCOUNTABILITY

We take ownership of our actions and are accountable to our clients, employees, and stakeholders.

Led by Experience.
Built on Trust.
Delivering Excellence.

SAFETY & QUALITY

Safety is the Foundation of Every Project

At Hardik Earth Movers, safety is not just a requirement—it is a core value embedded in every operation. Our team follows industry best practices to ensure the well-being of our workforce, clients, and project sites.

OUR SAFETY STANDARDS

LICENSED & SKILLED OPERATORS

All operators are licensed, trained and experienced to handle equipment safely and efficiently.

DAILY EQUIPMENT INSPECTION

Machines are inspected daily to ensure optimal performance and prevent potential hazards.

PREVENTIVE MAINTENANCE PROGRAM

Regular servicing and maintenance to minimize downtime and extend equipment life.

MANDATORY PPE COMPLIANCE

All employees are required to use proper PPE to ensure personal safety on site.

SAFE OPERATING PROCEDURES

Standard Operating Procedures (SOPs) are strictly followed across all project sites.

ENVIRONMENTAL RESPONSIBILITY

We are committed to minimizing environmental impact and promoting sustainable practices.

QUALITY ASSURANCE CHECKS

Regular quality checks to ensure work is delivered as per client specifications and industry standards.

CONTINUOUS WORKFORCE TRAINING

Regular training programs to upgrade skills and reinforce safety awareness.

SAFE OPERATIONS.
RELIABLE PERFORMANCE.
TRUSTED RESULTS.
